

Why vote?

Strasbourg,
11 June 2008

EP elections 2009

What is your age?

You are...?

1. Male

49,4 %

2. Female

50,6 %

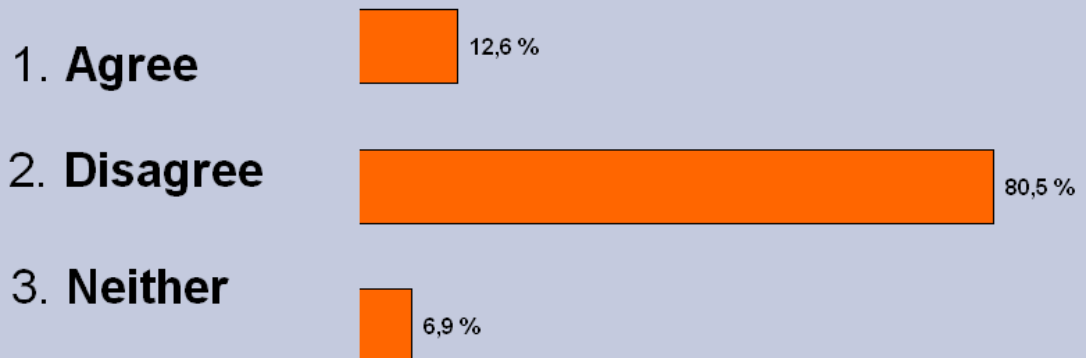

When I thought about Europe the last time, I felt:

1. Positive

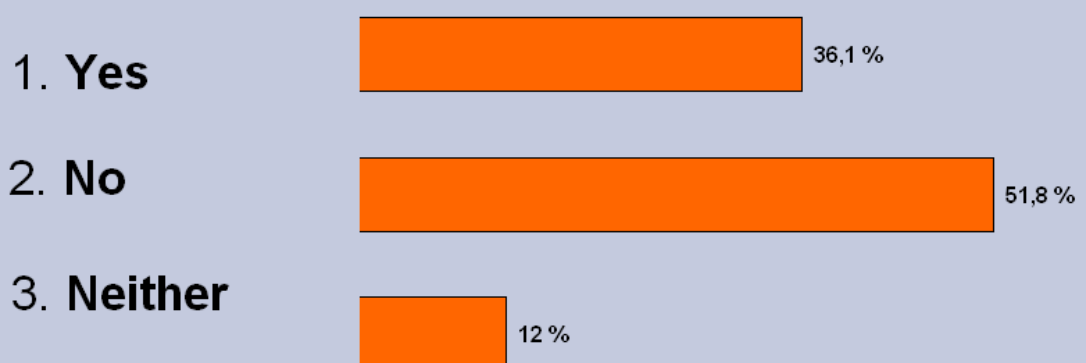

2. Negative

3. Indifferent

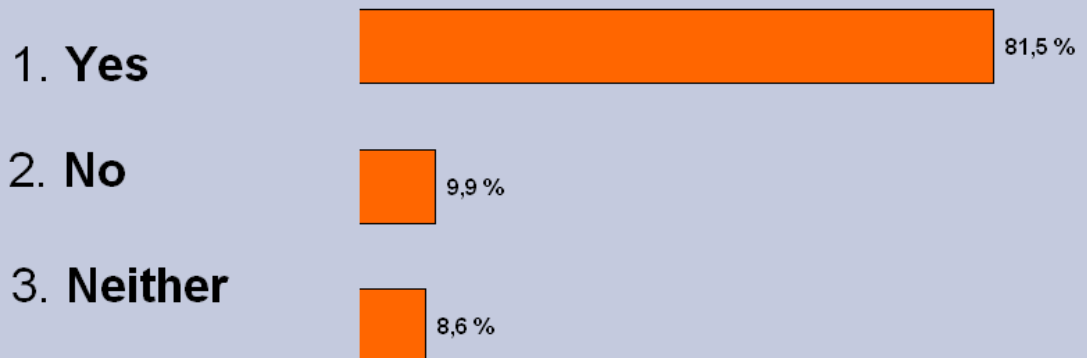

There should be an obligation for each citizen to vote for the European elections

Political parties should make future enlargement rounds, like Turkey and Ukraine, a major topic in the EP elections.

Institutions of civic education should work more hand in hand with the media during the European election campaign

Thank you for participating!

Please don't forget to hand in your voting machine!
